Announcement of an Open Competition for the Selection of an Individual External Expert – Dissemination & Exploitation within the AMELIA Project

The **Association Multidisciplinary Academy (AKMU)**, as Project Partner No. 3 and Contracting Authority, announces an Open Competition for the selection of an **Individual External Expert for the implementation of Dissemination & Exploitation activities** within the framework of the Project **"innovAtive Maturity assEssment modeLs for 5.0 dIgital trAnsformation Improvement", with the acronym "AMELIA"**, funded by the Interreg VI-A IPA South Adriatic Programme 2021–2027.

The AMELIA project aims to enhance the growth and competitiveness of SMEs, including micro-enterprises, in Italy, Albania and Montenegro by developing dedicated tools and a Technological Platform to assess companies' digital needs and support their Sustainable Digital Transformation.

The assignment concerns the implementation of dissemination, communication and exploitation activities in Albania, including the preparation of dissemination materials, the promotion of project results and the organization of workshops aimed at presenting the project's outputs, the Maturity & Sustainability Assessment Model and the Technological Platform, as well as sharing the results of pilot activities and best practices with SMEs and relevant stakeholders.

The estimated value of the contract amounts to **€12,000.00**.

Interested candidates are invited to submit their applications, including their **Curriculum Vitae (CV)**, by the following methods:

- **By email:** administrata@akmu.al
- **By post:** Vlore, Rruga Gjergj Kastrioti

The deadline for submission of applications is 30/03/2026

Applications received after the specified deadline will not be considered.
